EXPERIENCE

Graphic Designer and Print Production Assistant

Huck Printing

September 2019- March 2020

Worked in all facets of the printing business at Huck. Connected with customers, quoted jobs, designed projects such as business cards, newsletters, and brochures, set up jobs for press, printed, cut and packaged for shipping.

Graphic Designer

Ian Whittaker Designs

May 2013-Present

Started freelancing on my own. Clients include IABC Pittsburgh, DeepLocal, and MEMS Group. In March of 2020, I continued working with Huck and started working with RoyPro Graphics on print projects.

Print Production Assistant

Minuteman Press Butler

May 2021-Present

Joined a well established team at Minuteman Press as a production assistant. My daily tasks include quoting jobs, speaking directly with customers, proofing jobs, printing the work, and connecting with customers when their order is completed.
